GIRLS HAD GOOD TIME ON TRIP

Return to A. & M. College Full of Praise for Silver City.

Agricultural College, N. M., Feb. 1.—The members of the girls' basketball team report that they were royally entertained while in Silver City over Saturday and Sunday. They were met at the depot Saturday noon by the city band, with autos, and a majority of the population. They were escorted to the girls' dormitory, where a reception was given at 3 o'clock. The game was played at 8 o'clock. A big crowd was in attendance, over 300. The feature of the game was the playing of the college guards, Misses Brainard and Pohl. Following the game a reception and dance were given in honor of the visitors by the Normal school boys. The Normal girls took their defeat in a good way. On Sunday afternoon the two teams were loaded into autos and carried ten miles and back down the valley.

Negotiations are now in progress for a game between the boys' teams of the two schools. The best of feeling exists between the two institutions. The Normal boys have a strong five, which defeated company D on Saturday evening. The girls brought home a large bouquet given them by the wife of the president of the school. The girls come here to play a return game on Friday evening and one at El Paso with the high school sextet on Saturday evening.

The basketball games to be played here on Friday evening will be between the N. M. A. S. and Silver City girls, and N. M. A. C. and E. P. high school boys.

On Saturday evening a big baseball ball will be held in Hadley hall for the benefit of the Athletic association.

Tickets are now on sale and the admission is \$1 per couple.
A large delegation of students went to Las Cruces last evening to see the sketches put on at the armory by the Miller-Vane company.
The battalion of cadets were out on dress parade Monday. President Garrison reviewed and pictures were taken.

J. A. Horton, the Las Cruces photographer, has been at the college two days taking pictures for the Swastika.

Francis E. Lester left on this morning's train for El Paso on a business trip.

THE HERALD AND THE AGRICULTURAL COLLEGE.
Editor El Paso Herald:
Agricultural College, N. M., Jan. 31, 1910.
I am glad to see the interest the Herald is taking in the activities about the Agricultural college here. It not only makes the paper new-sier to the local people but also brings the institution in closer touch with the people of the south-west.
You are doing a good work in supporting the interests of this institution and a much larger field of students can be reached in this way. Very truly yours,
Frederick L. Bixby,
Irrigation Engineer, U. S. Department of Agriculture.
